

**Statement of the Substance of the Interview**

Applicants and their undersigned representative thank Examiners Lau and Jiang for the courtesies extended during the personal interview conducted on August 5, 2010. During the interview, as is correctly reflected in the Interview Summary mailed August 11, 2010, Claim 49 was discussed, as were the priority documents, the pending written description rejection, the pending indefiniteness rejection, the anticipation rejection, and the pending obviousness rejections, including a discussion of the Wong publication. Applicants believe the amendments to Claim 49 resolve the outstanding rejections and the priority document issue was resolved during the interview.
